SECTION II: PREAMBLE & OPERATIVE CLAUSE

1. Legal Framework of the Insurance Contract

WHEREAS the Proposer/Insured Person named in the Policy Schedule has made a proposal and declaration to Apex General Insurance Company India Limited (hereinafter called the Company) by a signed Proposal Form, which is hereby agreed to be the basis of this Contract and is deemed to be incorporated herein. The Proposer has paid the premium as consideration for such insurance, and the Company has accepted the risk subject to the terms, exclusions, provisions, definitions, and conditions contained herein or endorsed hereon.

2. Operative Clause & Indemnity Promise

The Company hereby agrees that if during the Period of Insurance specified in the Schedule, any Insured Person contracts or suffers from any disease, illness, or sustains any bodily injury through accidental means, and if such condition requires the Insured Person to undergo medical or surgical treatment inside a licensed Hospital or Day Care Center under Medically Necessary conditions, the Company will indemnify the Insured Person for Reasonable and Customary Charges incurred for such treatments up to the specific limits and sub-limits detailed within this document, not exceeding the cumulative limit of the Base Sum Insured and accrued No Claim Bonus specified in the Policy Schedule.

3. Scope of Policy Document Coverage

This policy document sets forth the rights, duties, protocols, and restrictions applicable to the contract of health insurance. No change, modification, or variation in this policy shall be valid unless made in writing and specifically approved via corporate endorsement executed by an authorized signatory of the Company. All insurance cover under this policy is territory-restricted and operates solely for treatments taken within the sovereign boundaries of the Republic of India.

SECTION III: UNIFORM & STANDARD DEFINITIONS (PART 1)

The following terms used within this policy shall carry the explicit meanings assigned to them by the Insurance Regulatory and Development Authority of India (IRDAI) under standard health regulations:

- 1. Accident:** An accident means a sudden, unforeseen and involuntary event caused by external, visible and violent means.
- 2. Any One Illness:** Any One Illness means continuous period of illness and includes relapse within 45 days from the date of last consultation with the Hospital/Nursing Home where treatment was taken.
- 3. AYUSH Treatment:** AYUSH Treatment refers to the medical and/or hospitalization treatments given under Ayurveda, Yoga and Naturopathy, Unani, Siddha and Homeopathy systems.
- 4. Cashless Facility:** Cashless Facility means a facility extended by the insurer to the insured where the payments, of the costs of treatment undergone by the insured in accordance with the policy terms and conditions, are directly made to the network provider by the insurer to the extent pre-authorization is approved.
- 5. Condition Precedent:** Condition Precedent means a policy term or condition upon which the Insurer's liability under an insurance contract is conditional as a prerequisite to performance.
- 6. Congenital Anomaly:** Congenital Anomaly refers to a condition(s) which is present since birth, and which is abnormal, medical, surgical or structural.
 - *Internal Congenital Anomaly:* Congenital anomaly which is not visible and accessible on manifestation.
 - *External Congenital Anomaly:* Congenital anomaly which is visible and accessible on manifestation.
- 7. Co-payment:** Co-payment means a cost sharing requirement under a health insurance policy that provides that the policyholder/insured will bear a specified percentage of the admissible claims amount. A co-payment does not reduce the Sum Insured.

SECTION III: UNIFORM & STANDARD DEFINITIONS (PART 2)

8. Cumulative Bonus: Cumulative Bonus means any increase or addition in the Sum Insured granted by the insurer without an associated increase in premium.

9. Day Care Centre: A day care centre means any institution established for day care treatment of illness and/or injuries or a medical setup with a hospital and which has been registered with the local authorities, wherever applicable, and is under the supervision of a registered and qualified medical practitioner AND must comply with minimal infrastructure metrics (maintains records, has an organized OT, handles advanced technological procedures).

10. Day Care Treatment: Day Care Treatment means medical treatment and/or surgical procedure which is undertaken under General or Local Anesthesia in a day care centre/hospital in less than 24 hours because of technological advancement, and which would have otherwise required hospitalization of more than 24 hours.

11. Hospital: A hospital means any institution established for in-patient care and day care treatment of illness and/or injuries and which has been registered as a hospital with the local authorities under Clinical Establishments Act or local enactments, and complies with minimal criteria (licensed nursing care, minimum 10 inpatient beds in towns or 15 in larger cities, dedicated fully functional operating theatre, medical records tracking).

12. Medically Necessary Treatment: Medically necessary treatment means any treatment, tests, medication, or stay in hospital or part of a stay in hospital which is required for the medical management of the illness or injury suffered by the insured; must not exceed the level of care required to provide safe, adequate and appropriate medical care; and must be prescribed by a registered medical practitioner.

13. Pre-Existing Disease (PED): Pre-existing Disease means any condition, ailment, injury or disease that is diagnosed by a physician up to 48 months prior to the effective date of the policy issued by the insurer or for which medical advice or treatment was recommended by, or received from, a physician within 48 months prior to the effective date of the policy or its reinstatement.

SECTION IV: CORE BENEFITS & INDEMNITY COVERAGES

The specific benefit options detailed below are admissible under this policy contract, subject always to the maximum financial limit of the Sum Insured and accrued No Claim Bonus, Reasonable and Customary Charges criteria, and validated medical necessity protocols:

1. In-Patient Hospitalization Expenses

The Company will indemnify the Insured Person against expenses incurred for an active in-patient stay within a registered Hospital for a consecutive duration exceeding 24 hours, in respect of:

1. **Room, Boarding & Nursing Charges:** Room rent charges incurred for accommodation up to a maximum standard limit of 1% of the Base Sum Insured per day for a standard single private air-conditioned room.
2. **Intensive Care Unit (ICU) / Intensive Cardiac Care Unit (ICCU) Expenses:** Charges incurred for stay inside an ICU/ICCU up to a maximum standard limit of 2% of the Base Sum Insured per day.
3. **Professional Fees:** Fees charged by the operating Surgeons, Anesthetists, Attending Medical Practitioners, Consultants, and Visiting Clinical Specialists.
4. **Ancillary Hospital Expenses:** Costs relative to blood, oxygen, surgical appliances, medical consumables, operating theatre charges, medicines and drugs, diagnostic imaging, and prosthetic devices internal to the surgical process.

2. Room Rent Scaling Provisions (Associated Medical Expenses)

In case the Insured Person opts for a room with rent characteristics higher than the eligible sub-limit specified in the Policy Schedule (1% of Sum Insured), then all associated medical expenses (including professional fees, surgery costs, and theatre expenses) shall be reduced and scaled down in equal proportion to the ratio between the eligible room rent limit and the actual room rent charged by the hospital infrastructure. This scaling provision does not apply to non-proportionate expenses like cost of medicines, drugs, and implants.

SECTION IV: CORE BENEFITS & INDEMNITY COVERAGES (CONTD.)

3. Pre-Hospitalization Medical Expenses

The Company will reimburse the verified Medical Expenses incurred by the Insured Person during a period up to 60 days immediately preceding the date of validated admission to the Hospital, provided that:

- Such Medical Expenses are incurred for the identical illness, disease, or injury that subsequently led to active In-Patient Hospitalization, and
- The primary In-Patient Hospitalization claim stands admitted and settled by the Company.

4. Post-Hospitalization Medical Expenses

The Company will reimburse the verified Medical Expenses incurred by the Insured Person during a period up to 90 days immediately following the date of formal discharge from the Hospital, provided that:

- Such expenses are directly incurred for follow-up evaluation, care, therapies, or medication relative to the identical condition or complications arising from the condition for which the active hospitalization occurred, and
- The primary In-Patient Hospitalization claim stands admitted and settled by the Company.

5. Day Care Procedures & Technological Treatments

The Company will indemnify the Medical Expenses incurred toward specific Day Care Treatments or advanced technical surgeries requiring less than 24 hours of hospital stay, provided they are performed in a specialized Day Care Center or an allocated section of a Hospital. This benefit covers procedures like Cataract extraction, Dialysis, Chemotherapy, Radiotherapy, Hydrocele excision, and arthroscopic interventions. Standard Out-Patient Department (OPD) treatments, diagnostic evaluations, or primary general physical consultations do not fall within the scope of this coverage.

SECTION IV: CORE BENEFITS & INDEMNITY COVERAGES (CONTD.)

6. Domiciliary Hospitalization (Home Treatment Framework)

The Company will indemnify medical expenses incurred for medical treatment taken at home for an illness/disease/injury which would otherwise have required standard Hospitalization, provided that:

1. The condition of the patient is so critical that they cannot be safely transferred or moved to a standard hospital setup, or
2. The patient takes treatment at home due to the non-availability of adequate bed space or medical facilities within local registered network providers.

Furthermore, Domiciliary Hospitalization coverage is subject to a mandatory continuous treatment duration milestone of 3 consecutive days, following which coverage starts from day one. Domiciliary coverage explicitly excludes any liability relative to chronic underlying conditions like Asthma, Bronchitis, Diabetes Mellitus, Epilepsy, Arthritis, or Hypertension.

7. Non-Allopathic (AYUSH) Hospitalization Coverage

The Company will indemnify the medical expenses incurred for In-Patient Hospitalization under AYUSH systems of medicine (Ayurveda, Unani, Siddha, Homeopathy, Yoga and Naturopathy), provided that the treatment is actively undergone inside a Government Hospital or any institute recognized by the Quality Council of India (QCI) or National Accreditation Board for Hospitals and Healthcare Providers (NABH).

All standard policy exclusions, terms, and initial waiting periods apply equally to AYUSH treatments. Pure rejuvenation or wellness therapies without explicit medical pathology are strictly excluded from coverage under this section.

SECTION V: STANDARD POLICY EXCLUSIONS (UNIFIED IRDAI CODES)

The Company is not liable to make any payments for claims arising from or associated with the following exclusions:

1. PRE-EXISTING DISEASES (CODE- EXCL01)

Expenses related to the treatment of a Pre-Existing Disease (PED) and its direct complications shall be excluded from coverage until the expiry of 36 months of continuous coverage has elapsed since the inception of the first policy with the Company. This exclusion will cease to apply once the policyholder maintains unbroken renewals for the complete 36-month block.

2. SPECIFIED DISEASE / PROCEDURE WAITING PERIOD (CODE- EXCL02)

Expenses related to the treatment of listed specific diseases, ailments, or surgical procedures shall be excluded from coverage for a mandatory period of 24 months from the first policy inception date. This includes Cataract, Benign Prostatic Hypertrophy, Hernia, Hydrocele, Fistula in anus, Piles, Sinusitis, Gallbladder stones, Varicose veins, Hysterectomy, and Joint Replacement surgeries (unless necessitated by an accident). This waiting period runs concurrently with the general 30-day moratorium.

3. 30-DAY INITIAL WAITING PERIOD (CODE- EXCL03)

Expenses related to the treatment of any illness or condition diagnosed within 30 days from the first policy inception date shall be excluded. This initial waiting period stands completely waived only in respect of claims arising directly from an external, visible Accidental Injury requiring emergency evaluation or inpatient care.

SECTION V: STANDARD POLICY EXCLUSIONS (CONTD.)

4. INVESTIGATION & EVALUATION (CODE- EXCL04)

Expenses related to diagnostics, investigations, or general clinical evaluations are excluded. Any diagnostic monitoring or screening procedure which is not a direct part of active internal medical management or surgical protocol during an admitted hospitalization status is not indemnifiable.

5. REST CURE, REHABILITATION & RESPITE CARE (CODE- EXCL05)

Expenses related to any admission or treatment primarily for bed rest, enforced relaxation, custodial care, quarantine tracking, or any form of rehabilitation or therapeutic profiling at convalescent homes or specialized sanatoriums are entirely excluded from policy liability.

6. OBESITY & WEIGHT CONTROL TREATMENT (CODE- EXCL06)

Expenses relative to any surgical or medical intervention designed exclusively for weight modification, management of clinical obesity, or cosmetic bariatric corrections are excluded, except where performed under specific life-threatening parameters matching strict regulatory indices.

7. CHANGE-OF-GENDER TREATMENTS (CODE- EXCL07)

Expenses incurred for any surgical, hormonal, or clinical procedures directed at changing or modifying the natural gender, physical characteristics, or phenotypic expressions of the Insured Person are entirely excluded.

SECTION V: STANDARD POLICY EXCLUSIONS (CONTD.)

8. Permanent Corporate & General Exclusions

The Company shall not extend any indemnity coverage or processing for medical expenses caused directly or indirectly by, or traceable to, the following elements:

- **Cosmetic or Plastic Surgery:** Any treatment or surgical adjustment aimed at visual restructuring, cosmetic improvement, hair transplants, or surface enhancements, unless critically required as a direct component of reconstructive surgery following a severe accidental trauma or burns.
- **Hazardous or Adventure Sports:** Hospitalization or medical emergencies arising from active participation in competitive or professional hazardous activities, including skydiving, motor racing, scuba diving, mountaineering, paragliding, and rock climbing.
- **Breach of Law / Criminal Act:** Expenses incurred for treatment arising directly from an injury or illness sustained while actively participating in an illegal act, criminal behavior, or felony.
- **Substance Abuse & Intoxication:** Any clinical treatment, diagnostics, or rehabilitation costs relative to illnesses or injuries caused directly or indirectly by the consumption of alcohol, narcotic elements, or intentional abuse of prescription drugs.
- **Self-Inflicted Injury:** Treatment expenses resulting directly from intentional self-harm, suicide attempts, psychiatric breakdown trauma, or self-inflicted injuries.

SECTION VI: GENERAL TERMS & CONDITIONS (PART 1)

1. Condition Precedent to Liability

The performance of the obligations under this policy by the Company is entirely conditional upon the accurate, truthful disclosure of information and continuous payment of the required premium by the Proposer. Any material non-disclosure, misrepresentation, or fraudulent concealment of physical health statuses within the Proposal Form will render this contract null and void *ab initio*.

2. Claims Notification & Intimation Protocols

It is a mandatory condition precedent under this contract that written intimation of a potential claim must be submitted to the Company or the designated Third Party Administrator (TPA) within the following strict timelines:

- **Planned Hospitalization Admissions:** Minimum of 48 hours prior to the actual date of clinical admission.
- **Emergency Hospitalization Admissions:** Within 24 hours of the active admission or emergency intervention.

The intimation parameter must convey the Policy Number, Name of the Insured Member, Name and Location of the Hospital, Nature of Illness/Injury, and the Expected Date of Admission.

3. Complete Documentation Submission Timelines

All definitive claim bills, original diagnostic reports, indoor case papers, discharge summaries, and pharmaceutical bills must be collated and formally submitted to the TPA or Company offices within the following statutory parameters:

1. **In-Patient Reimbursement Claims:** Within 30 days from the formal date of discharge from the Hospital infrastructure.
2. **Post-Hospitalization Expenses Claims:** Within 30 days from the completion of the eligible 90-day post-hospitalization window.

SECTION VI: GENERAL TERMS & CONDITIONS (CONTD.)

4. Disclosure to Information Norm

The policy shall be void and all premium paid thereon shall be forfeited to the Company in the event of misrepresentation, misdescription or non-disclosure of any material fact by the policyholder or insured person. This includes historical health profiles, habits (smoking, alcohol ingestion), or existing diagnostic indicators.

5. Continuous Renewal Framework & Grace Period

This policy is ordinarily renewable for life except on grounds of fraud, misrepresentation, or moral hazard. A mandatory Grace Period of 30 days is provided for flushing the renewal premium consideration. During this 30-day grace window, the continuity benefits regarding waiting period credits and No Claim Bonuses will be maintained intact. However, the Company carries zero liability for any medical emergency or diagnostic event occurring within the active days of the break before the renewal consideration is paid.

6. Cancellation Terms & Premium Refund Matrix

The Policyholder may cancel this policy at any point by giving a minimum 15 days' written notice to the Company. Provided no claims have been logged or processed under the active policy year, premium refunds will be executed on a short-period scale matching the grid below:

ACTIVE RISK RETENTION PERIOD	REFUND PREMIUM PERCENTAGE ALLOCATION
Up to 1 Month	75% of Gross Premium Amount
Up to 3 Months	50% of Gross Premium Amount
Up to 6 Months	25% of Gross Premium Amount
Exceeding 6 Months	0% (Zero Refund Admissible)

SECTION VI: GENERAL TERMS & CONDITIONS (CONTD.)

7. No Claim Bonus (NCB) / Cumulative Bonus Mechanics

For every claim-free policy year maintained continuously with the Company, the Base Sum Insured specified in the Schedule shall be increased by an increment of 10% up to a maximum accumulation ceiling of 50%. This bonus accumulation is contingent upon unbroken renewals within the grace parameters. In the event a claim is admitted under any active policy year, the accumulated Cumulative Bonus shall be decremented at the identical rate of 10% at the next renewal milestone, without reducing the baseline core Sum Insured.

8. Free Look Assessment Period

The Insured Person is granted a statutory Free Look period of 15 days from the date of physical receipt of this policy document to evaluate its parameters, conditions, and sub-limits. If the Insured objects to any explicit term or clause, they can submit a written cancellation request. The Company will refund the premium after deducting proportional risk charges, medical screening fees, and statutory stamp duty expenses.

9. Territory & Jurisdiction Restrictions

All claims arising under this policy contract shall be legally interpreted, evaluated, and adjudicated strictly in accordance with the statutory laws of the Republic of India. Any litigation or legal dispute arising out of this contract shall fall under the exclusive jurisdiction of the competent courts located within the territory where the corporate branch issuing the schedule operates.

SECTION VII: GRIEVANCE REDRESSAL & OMBUDSMAN NETWORK

In case of any dispute, service deficiency, or claim issue, the Policyholder can access our multi-tier redressal network described below:

1. Internal Escalation Pathway

The Policyholder should approach the localized Branch Customer Service Manager or log an escalation via customer.grievance@apexinsurance.co.in. If the resolution is unsatisfactory, the matter can be escalated to the Corporate Grievance Redressal Officer at our Head Office. The Company will provide a formal response or resolution within 15 days of receiving the written escalation.

2. Insurance Ombudsman Framework

If the internal grievance cell fails to offer a resolution within 15 days, or if the Insured remains dissatisfied with the final decision, they can approach the Insurance Ombudsman appointed under the Insurance Ombudsman Rules, 2017. The Ombudsman serves as an independent body to handle out-of-court settlements regarding premium issues, service delays, or claim repudiations.
